Permission to Photograph

Student Name: _____

Throughout the school year, there may be times when TreeHouse Preschool staff, the media, or other organizations, with the approval of administration, may take photographs, audio/video recordings, or interview students for school-related purposes that may identify a specific student. These materials may be used in publications such as newsletters, social media, promotional materials, and the TreeHouse Preschool website.

_____ YES, I give permission for TreeHouse Preschool to include my child's image in photographs, audio/video recordings, or interviews as he or she participates in school-related activities. I understand that TreeHouse Preschool may continue to use these materials in future school years unless I revoke this authorization in writing.

_____ NO, I do not give permission for TreeHouse Preschool to include my child's image in photographs, audio/video recordings, or interviews as he or she participates in school-related activities.

Please select the appropriate choice above.
